Building Delivery Expert

Cloud & Hardware Solutions for Elevator Control

VSLAM+ Semi-outdoor Delivery

Multiple Compartment Access Verifications

Full-Scope IoT Integration

Rapid Multi-floor Deployment

Modular Adjustable Compartments

## VSLAM+ Semi-outdoor Delivery

## Modular Adjustable Compartments

## Rapid Multi-floor Deployment

Supports rapid multi-floor map replication, enabling quick mapping and enhancing deployment efficiency and ease of operation.

## Multiple Compartment Access Verifications

Supports password verification, phone number verification, and NFC sensing for compartment access

## 70cm Path Clearance

Effortlessly navigates narrow corridors in various buildings and easily adapts to diverse elevator environments.

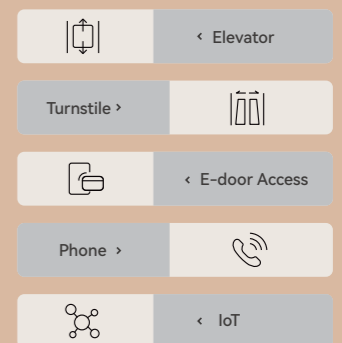

## Autonomous Elevator Control

Dual Options for Elevator Control: Cloud and Hardware. Seamless elevator management experience enhances operational efficiency.

## Full-Scope IoT Integration
